

Parking Qualifications

CIWM WAMITAB Level 2 Award for Parking Enforcement Officers

About this qualification

Develop the knowledge and skills needed to work as a parking enforcement officer in the private or public parking industry throughout the UK.

This qualification focuses on developing conflict management skills in those individuals employed as civil enforcement officers, parking attendants, parking enforcement officers and CCTV enforcement officers.

Who is it for?

- New entrants to the parking industry
- Experienced workers seeking a formal qualification

What does this qualification cover?

To achieve this qualification, learners must complete the mandatory unit which focuses on managing conflict in the enforcement of parking control and management.

Learners must then choose from six optional pathways to achieve an additional unit:

- **Optional pathway 1:** Roles and responsibilities of civil enforcement officers operating under traffic management legislation (England and Wales).
- **Optional pathway 2:** Roles and responsibilities of parking attendants operating under road traffic regulation act 1984 legislation (England and Wales).
- **Optional Pathway 3:** Roles and responsibilities of parking enforcement officers carrying out parking control and enforcement on private land (England and Wales).
- **Optional Pathway 4:** Roles and responsibilities of parking attendants operating under road traffic act 1991 legislation (Scotland only).
- **Optional Pathway 5:** Roles and responsibilities of CCTV parking and traffic enforcement officers operating under traffic management legislation.
- **Optional Pathway 6:** Roles and responsibilities of parking enforcement officers carrying out parking control and enforcement on private land (Scotland only).

What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the CIWM WAMITAB Level 2 Award for Parking Enforcement Officers do not require any other qualifications or levels of attainment to take this qualification.

What job role could this qualification lead to or support?

This qualification could have significant benefits for the parking workforce as it will act as a gateway for opportunities for career progression or further education by building the confidence of employees and demonstrating that their skills have value.

The UK parking profession employs approximately 82,000 people (with 87% of these people employed in the private sector) in a wide range of occupations, compared to 569,000 people across Europe. This qualification is ideal for those employed in the following job roles:

- Civil Enforcement Officers
- Parking Attendants

Effective traffic and parking management is essential to support the sustainable growth of the UK economy as there are currently 34.5 million licensed vehicles on the roads (Juggins, 2013). Most of these vehicles spend more than 90% of the time in a car park, on the side of the road, at a station or in a garage (Juggins, 2013).

General Information

Guided Learning Hours: 34*this is the amount of time the average learner is expected to spend in supervised learning and practice, but may vary by learner

Maximum Total Qualification Time: 41*

Ofqual Number: 601/1781/3

CIWM Code: PEOA2, PEOB2, PEOC2, PEOD2, PEOE2, PEOF2

Assessment: online multiple-choice test papers

Available in the following countries: England, Scotland, and Wales
