

Waste Qualifications

CIWM WAMITAB Level 2 Diploma for Sustainable Waste Management Operative (Waste Site Operative)

About this qualification

This qualification is ideal for new entrants to the industry or experienced workers that want recognition that they possess the competence required to work as waste site operatives within the waste and resource management industry. This qualification supports direct entry to the waste and resource management industry for a range of job roles.

Who is it for?

- New entrants to the industry
- Apprentices
- Experienced workers that want evidence of their skills

What does this qualification cover?

Learners must complete all of the units in Group A (the mandatory group) which are designed to ensure that they have the customer service skills, team working skills and knowledge of health, safety and emergency procedures to conform to productive working practices.

Learners must then choose three units from Group B. These units ensure that learners have the knowledge and skills to:

- Handle, validate, transport and store waste
- Clean, adjust and maintain equipment
- Conduct environmental monitoring
- Carry out landfill operations

What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the CIWM WAMITAB Level 2 Diploma for Sustainable Waste Management Operative (Waste Site Operative) do not require any other qualifications or levels of attainment.

What job role could this qualification lead to or support?

This qualification is ideal for people seeking entry to the waste and resource management sector, or those who are already working and require evidence of their competence. It is a flexible

qualification that can be tailored to meet the requirements of specific job roles in the sector or within a particular organisation – these job roles include:

- Waste/ recycling operative
- Transfer station operative
- Compost operative
- Household waste recycling operative
- Manual/mechanical street cleaner
- Waste/ recycling collection driver

People already working in relevant roles could be employed by local authorities, waste management companies or third sector (not-for-profit) organisations. This qualification will support the sector to overcome significant skills gaps as nearly one in five members of the workforce (18%) has no qualifications (UKCES, 2012).
